Erasmus+ Internship

Put the Plus in your career

ERASMUS+ INTERNSHIP

ERASMUS+ is a European Union program that promotes international cooperation in education. The Erasmus+ Student Mobility program enables and supports students to **COMPLETE A PART OF THEIR STUDIES ABROAD** in an Erasmus+ country.

Students at the University of Würzburg can receive an Erasmus+ internship scholarship in an **ERASMUS COUNTRY** at **ANY TIME DURING THEIR STUDIES**.

Scholarships are granted for both **COMPULSORY AND VOLUNTARY INTERNSHIPS** in any of the 28 European Union countries, member countries of EFTA, as well as Macedonia and Turkey.

Students can complete an internship only, or **COMBINE AN INTERNSHIP WITH AN ERASMUS-STUDY** Up to 12 months (up to 24 months for state examination students) of participation in an Erasmus+ program is possible during each degree program.

SCHOLARSHIP AMOUNTS ARE NOW HIGHER THAN EVER & GUARANTEED

Country Group	Country	Scholarship Amount
Country Group 1	DK, FI, IE, IS, LI, LU, NO, SE, UK	555 €

REQUIREMENTS FOR AN ERASMUS+ INTERNSHIP

- Students must find their own suitable internship placement
- Internship must be full time and at least 60 days in duration

TIPS FOR FINDING AN INTERNSHIP

- Advising and internship database available in the International Students Office
- Read about other students' ERASMUS+ internship experiences on our website

ADVANTAGES OF AN INTERNSHIP WITH ERASMUS+

My 5-month internship abroad was an amazing time. I gained practical, working experience, got to know a new culture, significantly improved my foreign language skills, and made many new contacts for my future career.

Business Management and Economics Student,
Tenerife

STUDIES INCREASINGLY SHOW THAT:

- International experience increases your career opportunities.
- Students who have completed an ERASMUS internship receive a higher, average income, more opportunities for advancement, and are more often placed in management positions.
- Interns gain and increase their communication, adaptability, and critical thinking skills, become more flexible and assertive, and are better able to work independently.
