Description:

This spacious detached house, located in Würzburg-Versbach, is currently inhabited by the owners themselves and is accordingly lovingly furnished to a high standard. In the house there is everything needed for use and maintenance. The minimum rental period is 2 years, the landlord is generally interested in a long-term tenancy. The University Hospital can be reached by bike and also on foot in a few minutes.

It has 3 bedrooms and 2 guest rooms. In addition, there is at least one bathroom on each floor. The bright and modern kitchen was newly installed 5 years ago and is left to the tenant(s) for use, as well as the tasteful furnishings, the sauna and other items (garden tools, tools, etc.).

The tenant can significantly reduce electricity costs with the PV system on the roof with the associated electricity storage system (approx. 6.5 KW). The solar system for hot water preparation and heating support saves gas and money. In 2023, a new gas boiler was installed. In addition, a modern fireplace provides pleasant warmth in winter.

The beautiful and mostly secluded garden with spacious terrace and integrated garden lounge is ideal for beautiful summer evenings with family and friends.
