

INTERCULTURAL TRAINING - TO INDIA!

Lehrstuhl für Indologie, Anna Scarabel

The Lehrstuhl für Indologie is collaborating with the Center for Nanosystems Chemistry (CNC, University of Würzburg) to help CNC students navigate Indian customs and social norms during their study period in India. This intercultural training is designed to help students adapt, connect, and make the most of their time abroad.

**Center for Nanosystems Chemistry - Seminar Raum in 1.0G
Theodor-Boveri-Weg, 97074 Würzburg
11.00am - 4.00pm 06.02.2025**
